Never thought that I'd be leaving you today.  
So alone and wondering why I feel this way.  
So wide the world,  
Can love remember how to get me home to you?  
Someday...

We'll be together again.  
All just a dream in the end.  
We'll be together again.

So many fears were swimming around,

And around my mind.  
Who would have dreamed the secrets,  
We would find?

I've found a world,  
where love, and dreams, and darkness all collide.  
Maybe this time,  
we can leave our broken world behind.

We'll be together again.  
All just a dream in the end.
