How can I pretend that I don't see
What you hide so carelessly?
I saw her bleed; you heard me breathe.
And I froze inside myself and turned away.
I must be dreaming.

(chorus)

We all live.
We all die.
That does not begin to justify you.
It's not what it seems,
Not what you think.
No, I must be dreaming.
It's only in my mind,
Not real life.
No, I must be dreaming.

(instrument break)

Help! I know I've got to tell someone.
Tell them what I know you've done.
I fear you, but spoken fears can come true.

(chorus)

We all live.
We all die.
That does not begin to justify you.
It's not what it seems,
Not what you think.
No, I must be dreaming.
It's only in my mind,
Not real life.
No, I must be dreaming.

(chorus)

We all live.
We all die.
That does not begin to justify you.
It's not what it seems,

Not what you think.

It's only in my mind,
Not real life.
No, I must be dreaming.
