Feels like the weight of the world
Like God in heaven gave me a turn
Don't cling to me, I swear I can't fix you
Still in the dark, can you fix me?

Free fall, free fall, all through life

If you love me then let go of me
I won't be held down by who I used to be
She's nothing to me

Feels like the weight of the world
Like all my screaming has gone unheard

And oh, I know you don't believe in me
Safe in the dark, how can you see?

Free fall, free fall, all through life

If you love me then let go of me
I won't be held down by who I used to be

If you love me then let go of me
I won't be held down by who I was

If you love me then let go of me
I won't be held down by who I used to be
