Verse 1:

P: Have you ever seen such a beautiful night?

I: I could almost kiss the stars for shining so bright.

P: When I see you smiling I go, oh uh oh.

I: I would never want to miss this.

P: In my heart I know what this is.

Chorus:

I: (Hey now, Hey now) This is what dreams are made of

P: (Hey now, Hey now) This is what dreams are made of

B: I've got somewhere I belong, I've got somebody to love, This is what dreams are made of

Verse 2:

P: Have you ever wondered what life is about?

I: You could search the world and never figure it out.

P: You don't have to sail the oceans, no no no.

I: Happiness is no mystery

P: It's here and now it's you and me yeah

(Chorus)

Verse 3:

P: Open in your eyes

I: Shout to the skies

P: Then I see your smile and I go, oh uh oh

I: Miss a day in my life was a duller

P: Now everything technicolor

(Chorus)

B: This is what dreams, dreams, this is what dreams are made of. (Hey now Hey now) this is what dreams are made of.
