You're too important for anyone
You play the role of all you long to be
But I, I know who you really are
You're the one who cries when you're alone

But where will you go
With no one left to save you from yourself?
You can't escape, you can't escape

You think that I can't see right through your eyes
Scared to death, you face reality
No one seems to hear your hidden cries
You're left to face yourself alone

But where will you go
(Where will you go)
With no one left to save you from yourself?
You can't escape the truth

I realize you're afraid
(I realize)
But you can't abandon everyone
You can't escape
And you don't want to escape
I am so sick of speaking words that no one
understands
Is it clear enough that you can't live your whole life all
alone?
I can hear you when you whisper
But you can't even hear me screaming

Where will you go
(Where will you go)
With no one left to save you from yourself?
You can't escape the truth

I realize you're afraid
(I realize)
But you can't reject the whole world
You can't escape, you won't escape
You can't escape
You don't want to go and scream

Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah

Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
