Catch me as I fall
Say you're here and it's all over now
Speaking to the atmosphere
No one's here and I fall into myself

This truth drives me into madness
I know I can stop the pain
If I will it all away
If I will it all away

Don't turn away
(Don't give in to the pain)
Don't try to hide
(Though they're screaming your name)

Don't close your eyes
(God knows what lies behind them)
Don't turn out the light
(Never sleep, never die)

I'm frightened by what I see
But somehow I know that there's much more to come
Immobilized by my fear
And soon to be blinded by tears

I can stop the pain
If I will it all away
If I will it all away

Don't turn away
(Don't give in to the pain)
Don't try to hide
(Though they're screaming your name)

Don't close your eyes
(God knows what lies behind them)
Don't turn out the light
(Never sleep, never die)

Fallen angels at my feet
Whispered voices at my ear
Death before my eyes

Lying next to me, I fear

She beckons me, shall I give in?
Upon my end shall it begin

Forsaking all I've fallen for
I rise to meet the end

Don't turn away
(Don't give in to the pain)
Don't try to hide
(Though they're screaming your name)

Don't close your eyes
(God knows what lies behind them)
Don't turn out the light
(Never sleep, never die)

Don't turn away
(Don't give in to the pain)
Don't try to hide
(Though they're screaming your name)

Don't close your eyes
(God knows what lies behind them)
Don't turn out the light
(Never sleep, never die)

Don't turn away
(Don't give in to the pain)
Don't try to hide
(Though they're screaming your name)

Don't close your eyes
(God knows what lies behind them)
Don't turn out the light
(Never sleep, never die)
