Chorus: Hallelujah to the One Who saved my soul
That I may not be found guilty of Hell Fire
Hallelujah to the One Who saved my soul
Glory, A great mystery indeed

Jesus Christ is the only One I know
And surely He's the only One I hope for
For then without Him We know that no one would be
saved
And glory
A great mystery indeed

Chorus

Jesus Christ is the only God I know
And surely He's the only One I wait on
Because without Him we know that all things would be
gone
And glory
A great mystery indeed

Chorus

Jesus Christ is the only Lord I know
And surely He's the only Love I lean on
Wherefore could I be without this One and Only love
And glory
A great mystery indeed

Chorus

Jesus Christ is the only Friend I know
And truly He's the only Guardian
And I could not be existent, yes, without His love
O glory
A great mystery indeed

Chorus

Jesus Christ is the only Shepherd I know
And then thoroughly He takes care of all the sheep
Therefore could I go astray when I have Him at all

times
O no!
A great mystery indeed

Chorus

And Jesus Christ is the only Teacher I own
For surely He teaches me every good thing
And then could I be deceived when I have my own
Guide
No, no!
A great mystery indeed

Chorus

Now Jesus Christ is the only Prophet I know
For surely He prophesies all and all Truth
And then could I be enslaved when I walk in His path
O glory
A great mystery indeed

Chorus

And now, Jesus Christ is the only love I touch
For surely He's the only One Who loves forever
How then could I be a fool to hatred around
And glory
A great mystery indeed

Chorus 4 times, to fade.
