Caught a light sneeze
Caught a light breeze
Caught a lightweight
A lightning scene

You're on the left side
You're on the right side
I'm in the middle
And you're not here

I need a big loan
From a girl zone

Building, tumbling down
Didn't know our love was so small
I couldn't stand at all
Mr St. John
Just bring your son

This spire is hot
And my cells can't feed
And you still got that bell
Dragging your foot
I'm hiding it well, Sister Earnesty
But still got that bell dragging my foot

Building, tumbling down
I didn't know our love was so small
I couldn't stand at all
Mr St. John
Just bring your son
Right on time
You get closer, and closer
You call my name
There's no way in
For you use that fame
Rent your wife and give today
And maybe she will
And maybe she will

Caught a light sneeze
Dreamed a little dream

Make my own pretty hate machine

You're on the left side
You're on the right side
I'm in the middle
And you're not here
Boys in their dresses
And you're not here

I need a big loan
From a girl zone

Building, tumbling down
I didn't know our love was so small
I couldn't stand at all
Mr St. John
Just bring your son
