I could never be the one  
I can't take over  
I could never see the fun  
In holding on  
I barely ever need someone  
And I'm not your shoulder  
I could never come undone  
So prove me wrong

Over and over, 'til we fall  
I can't take this  
Over and over, I blame you

All of the hurt  
With all of your words, you chose to  
Never be heard again  
All of the hate  
With all I would trade, I chose to  
Carry this weight again

How long  
Can this go on  
How long 'til we finally see what's wrong

Who said life is awaiting death  
Who said you can't be all alone

Over and over, 'til we fall  
I can't take this  
Over and over, I blame you

All of the hurt  
With all of your words, you chose to  
Never be heard again  
All of the hate  
With all I would trade, I chose to  
Carry this weight again

All of the hurt  
With all of your words, you chose to  
Never be heard again  
All of the hate

With all I would trade, I chose to  
Carry this weight again
