All the painted royalty,
Watch her from the sky,
While we write songs about her,
In every kind of style.

She's not that lost,
Maybe just forgotten by time.
It's about time to start the music.

And she'll dance and be remarkable.
She won't stay down.
If fate won't give you a second look,
Say 'I won't stand down.'
Hearts break every other day,
But I know you'll be there to catch me when I fall down.

All the faint reality fades back into mine,
While we write all the history beside her name.

And she found so much more.
By just forgetting, she wins, she wins.
Even if you stop the music...

She'll dance and be remarkable.
She won't stay down.
If fate won't give you a second look,
Say 'I won't stand down.'
Hearts break every other day,
But I know you'll be there to catch me when I fall down.

Drive me away from all of this.
From all this...

And she'll dance and be remarkable.
She won't stay down.
If fate won't give you a second look,
Say 'I won't stand down.'
Hearts break every other day,
But I know I will be there to catch you when you fall
down.
