I'm burning up  
I'm filling up, see  
Forever plagued with this fire inside me  
Deliver all, to live or die blindly  
It's empty it's bluffing defining the nothing  
Interfering with the call of fate is crawling out of you  
and now  
Find comfort in the smallest spaces have sold out  
I know I said  
I hope I don't upset the light you defend  
But this time it's different  
Destroy my pain  
Then capture life again  
Destroy my shame  
Can't live my life this way  
LET! go, GO! let go  
And capture life again  
LET! go, GO! let go  
Can't live my life this way  
I'm giving up  
I'm living but weak  
I'm hearing voices from shadows inside me  
I never sleep,  
My eyes are too focused, too hopeless, too broken, too  
open, to notice  
Interfering with the call of fate is crawling out of you  
and now  
Find comfort in the smallest spaces have sold out  
I know I said  
I hope I don't upset the light you defend  
But this time it's different  
Destroy my pain  
Then capture life again  
Destroy my shame  
Can't live my life this way  
LET! go, GO! let go  
And capture life again  
LET! go, GO! let go  
Can't live my life this way  
I open my eyes  
The voice inside me  
I open my mind

But this time it's different  
Destroy my pain  
Then capture life again  
Destroy my shame  
Can't live my life this way  
LET! go, GO! let go  
And capture life again  
LET! go, GO! let go  
Can't live my life this way  
LET! go, GO! let go  
And capture life again  
LET! go, GO! let go  
Can't live my life this way (3x)
