I'm just trying to be me, to be me
To be me

(One)
'Cause I really wanna see the world
(Two)
Always knew I was a super girl
(Three)
Staying laced in diamonds and pearls
(To be me)
That's the way you gotta treat a girl

(One)
'Cause I really wanna see the world
(Two)
Always knew I was a super girl
(Three)
Staying laced in diamonds and pearls
(To be me)
That's the way you gotta treat a girl

Uh, oh, when I was broke, cats was like do that
Now that I've got somethin', cats is like screw that
They wish I could've blew that back with them
complaining
Spassing, stressed out, not maintaining

I move on speak, shit so far from so long
You the one that made me go forth and go on
Blew up, called me, cherry bomb
Changed my hair from blond

Mad 'cause I can go investigate the whole Gucci line
Let me live niggas, did this with my own rhymes
Publishing's a motherfucker baby and I own mines
Worked hard, I deserve the best in life

She stay clean, I deserve to be dressed up right
She spits mean, God definitely blessed her right
We can all buy diamonds and furs, nothing to tell
We can all buy the mall, but we all can't sell
Your career's dead wrong, change your style, wear a

veil

Long cash, twenty-one, investing in stock shit

Call the graduated long, so I could cock shit

Now I'm supposed to downplay, all the things I want in
life

Got my own money now, ain't gotta be nobody wife

Only if I want to, not 'cause I need to

Choose the situations I do and do not go through

I told you I was gonna make it big, gonna grow

This is dedicated to all of the haters who I know

But they know who it was haters created my buzz

Talking about me made people wonder who she was

And I'm here now going on my second year now

Fuck it, we could take it there, keep at a stare down

Now I think that my message is clear now

That bitch E V E singing what you hear now

Float me in a boat in the Atlantic feel me
Gotta come to the table with something, 'cause I got

Gotta spoil Eve royally, not just like pipeline
Say I ain't your type line, matches make you jelly
(Lying)

what
Get in where you fit in, if you can
I'm a keep it comfortable, that's my plan understand
I'm just trying to be me, bubble and Philly bitch

Coarse I'm a boss and floss, I ain't no silly bitch
Bet she come fully equipped from chips to whip
Keys to her own crib, big shit to grip

I'm living it down, so ya simmer it down
Went from ooh sheek to, oh, I remember her now
Niggas couldn't stand her, now they wanna give her a

Wanna know her 'cause now my feet is planted in the
