Chorus X 2

Im just trying to be me, to be me!

One

Cause I really wanna see the world

Two

Always knew I was a super girl

Three

Stay laced in diamonds and Pearls,that's the way you
gotta treat a girl

(Verse 1)

When I was broke

Cats was like do that

Now that i got something

Cats is like screw that

They wish that i would've blew that

Back with them complaning

Spassing, Stressed out not maintaing

I move on

Speak shit, So forth and so on

You the one that made me go forth and blow on

Blew up called me cherry bond

Change my hair from blonde

Mad, because I don't go and investigate the hole Gucci

Let me live niggas

Did this with my own rhymes

Because publishing a mother fucker baby

And I own mine

Work hard I deserve the best in life

She stay clean I deserve to be dressed up right?

She spits mean God defintely blessed her right?

We can all buy diamonds and furs

Nothing can tell

We can all buy the bar but we all can sell

Your careers yea more change your style wear a veal
