[Verse 1: Claudette Ortiz]

Uh-huh, come on  
You can say I'm plain jane, but it's not the same  
I ain't into big names, but I like nice things  
I watch boxin' matches and football games  
I wouldn't mind being an actress, but I love to sing  
I like goin' out, takin' walks and stuff  
I don't run with many girls 'cause they talk too much  
I enjoy quiet nights at home curled up next to ya  
You know I ain't a virgin that don't mean I'm havin' sex  
with ya

[Chorus: Claudette]

Anywhere I go I'm spotted (No doubt)  
And anything I want I got it (Yeeah)  
5'5" with brown eyes (Caramel complexion)  
Smile like the sunrise (Body Like Heaven)  
'Cause anywhere I go I'm spotted (No doubt)  
And anything I want I got it (Yeeah)  
5'5" with brown eyes (Caramel complexion)  
Smile like the sunrise (Body Like Heaven)

[Verse 2: Claudette]

Baby look me in the eyes and tell me if  
I'm the kind of girl you like, I'm feelin' you  
'Cause baby you're my kind of guy, that's what it is  
Think about it you just might wanna run with this  
All night long and if you want me we can keep this  
going  
But let me tell you I'm the type that's strong  
And I don't trust a lot of men, I'm independent  
I ain't like some other women

[Chorus]

[Verse 3: Eve]

I keep 'em mesmerized, listen to me closely  
E-V-E is how a thorough bred supposed to be  
Hate the thirsty type, can't even get close to me  
That's why I got my own stack, Daddy, how it's  
supposed to be

I ain't about the game playin', and gift chasin'  
All in frontin' Daddy Please we both big facin'  
All the things I want, I got, forget me not  
Just from my stance, why you starin' at me? Got'chu hot  
Not too many bitches like her, one of a kind  
I mean even the bitches like her, she just a dime  
Not impressed by your Cris' poppin'  
Cause if you would, I might, end of the night, we gone  
be lip locking  
But only if I choose to, I don't fall in love easily  
Give'you the blues Boo  
I have you sittin' 'round misty-eyed  
Caramel, get 'em all the time  
Hot shit from City High

[Chorus 2x]
