Ugh! (Whoa) Ugh!(Woo!) Ugh! Ugh! (Arf! Arf! Arf!)  
Ugh! Ugh! Ugh!  
Now for every real dog  
There's that bitch that's behind him  
That bitch that when that nigga get to missin'  
She gon' find him  
Old girl gonna stand with the dog  
Hand in hand with the dog  
And whatever the fuck went down she ran with the dog  
First time I had a match and didn't scratch  
You catch just loss half you niggas, but the punk can  
fetch  
And I know my babygirl is gonna stretch  
Any rappin' motherfucker, male or female  
Place your bets  
You can imagine what the bloodline is like  
Since I love mine to fight  
I'm on some shit like what time tonight  
Y'all niggaz can't be for real  
Cause any one of you faggots  
Will catch a face full of lead  
Bitch you shouldn't be faggots  
Fuckin' maggots, once you have it, as good as I got it  
I know my hands is in my pockets  
But Eve got you spotted, red dotted  
Eve didn't before the Dog  
Nothin' but a walk in the park

*[Eve]*

Always been the bitch that could roll with a thug and  
Wipe up the blood  
Roll in the mud with your other ducks nigga what?  
What you need when the chips is down  
I'll abide on the stand when evidence is found  
I give pound to ya niggaz they respect this bitch  
I spit rounds at your enemy no less than six  
Always keep the extra clip Dog taught me well  
The extra eyes on your team I see who's next to fail  
Always hold your back up, I pick it up when you slack up

And if attention gets to close I tell the world to back up  
Bind too tight, rhymes who ride?  
Bitch and you livin' nigga lessons through life  
Fuckin' with the dog he's the master

Plus he's gonna show me how to blast ya  
Bullets hit you then pass you  
Split you then stash you  
The game is real, E-V-E, DMX, the name's for real, uh

*[1] - [DMX]*

Fuckin' with the dog man niggaz keep beefin'  
Eve will hold it down now, niggaz can believe (Woo!)  
Quick as niggaz come and quick as they'll be leavin'  
(Ugh!)  
Paramedics on your chest, pushin' and breathin'

*[Repeat 1]*

*[DMX]*

Get em girl, ha-ha, that's my baby  
I'mma put the bitch down, cause the boy got rabies  
All my pups is crazy, cause off the leash  
They can eat, stand a match for 3 hours at least  
And if the beast is in the big one  
The beast is in the little ones  
Talkin' 'bout let's hit him son  
Fuckin' with the little guns  
Y'all niggaz had a little run  
What more do you want?  
For your fans you can front  
But the dog is on the hunt

*[Eve]*

You know I'm at the door point fox rippin' 'em out  
And you're the only one that can tame me  
When I'm flippin em out  
Bite's lethal, no recovering  
I spitz no other than acid  
Up against the top contenders  
None of them lasted  
This bitch gon always hold you down  
Keep the cowards thinking twice  
I keeps it gritty nigga  
Never think that love is life  
Turnin' my back is something cats would do  
I never take flight  
Cause any breed he put's me up against  
This bitch is gonna bite

*[Repeat 1 (4x)]*

*[DMX]*  
Ugh! Woo!  
Ugh! Ugh! Woo!  
Ugh! Ugh! Ugh! Ugh! Woo! Woo!  
Woo! Woo! Woo! Woo!  
Ugh! Ugh! Ugh! Ugh! Ugh!  
Ugh! Ugh! Ugh! Ugh! Ugh! Ugh!  
Ugh! Ugh! Woo!
