I got a boyfriend now...

C'mon, uh, uh, uh

(Chorus) Gotta man that I think I'm gon love forever,
(ugggg)

And forever, we'll be together, (C'mon)

No matter where he goes, I'll be thinkin of him,

I'm gonna love him, I'm gonna love him

Repeat 2x

(Verse 1)

Yo, yo, this nigga lookin' like love, no doubt,

Sophisticated thug keep me guessin,

Said it would be a blessin, just to watch you undressin,

Callin you daddy, late nights I'm layin on your chest

And, stay reminiscin bout the rest

And, how they less than, tryin to come between what
we share,

Can't compare, could've been left, but when It's mine,

I never share, fight to the death,

If need be to prove that, wounds from your war,

Other bitches couldn't soothe that, broke from a bad
back,

I'm holdin you down, throwin dirt with other bitches,

But them other fishes drown, locked in, for however
long,

I'm playin it smart, court dates in other cities,

There I'm doin my part, Wife-y, In your life see,

Forever be us, passenger side of a Bentley,

Or the number 2 bus, tell the whole world, papi

Eve don't want nobody else, with other niggas pick &
choose,

But you, I'm keepin for myself

(Chorus)

Gotta man that I think I'm gon love forever, (ugggg)

And forever, we'll be together, (C'mon)

No matter where he goes, I'll be thinkin of him,

I'm gonna love him, I'm gonna love him

Repeat 2x

(Verse 2)

All my peoples thinkin i'm delirious,
But the love I feel is serious, couples of the world,
No comparin us, been through fist fights with niggas,
When I see it escalate I'm the getaway driver, so my
nigga can escape,
Pull my ice for the bail, spendin nights in jail,
Drawin hearts on the wall wit our names around the
cell,
It made a little craziness, maybe I'm blind,
But for me to leave now, lookin for love could take a
lifetime,
So I'm keepin mine, fuckin' eat me blind,
It's like heaven when we makin love, controllin my
spine,
wine and dine, I don't need that as long as you wit me,
And you bitches thinkin that you competition, come and
get me,
My position is held, some try and all fail,
pussy piece a motherfucker good enough to sell,
Never leave his baby girl, mad cause he claim me,
Only thug in the hood, that was wild enough to tame
me,

(Chorus)

Gotta man that I think I'm gon love forever, (ugggg)
And forever, we'll be together, (C'mon)
No matter where he goes, I'll be thinkin of him,
I'm gonna love him, I'm gonna love him
Repeat 2x

(Verse 3)

I'm the bitch he'll never leave, helped him build his
luxuries,
Carry stories that can hurt him, still, he only trustin me,
Secrets never left my mouth, even if they torture me,
Always taught to hold the ground, thats why I'll always
be his queen,
It's some dumb shit, see him in the party, start to flip,
Curses him out on the regular, just to make him sick,
Disappear for a day or two to test his loyal ground,
Keep my dogs on a short leash, controllin the growl,
Open wide,
I don't give a fuck, I'm swallowin my pride,
And he's fast, to blast, a cat, that he think he on the
prowl,
But I'll never let him go, temper flare, let it go,
Always be his extra back bone, quick to let a nigga
know,
Always by his side, Eve, the apple of his eye,

Us together ain't no stoppin, snatchin pieces of the pie,
Us together in our own world, whats his becomes mine,
Exceed eternity with him, we'll stand the test of time

(Chorus)

Gotta man that I think I'm gon love forever, (ugggg)

And forever, we'll be together, (C'mon)

No matter where he goes, I'll be thinkin of him,

I'm gonna love him, I'm gonna love him

Repeat til fade
