Feat. Sean Paul

Yo yo yo yo
Yeah
Ha
Yo yo yo yo

My love'll give it to you girl
Deliver it to you girl
I wanna rock with you girl
My love I'll give it to you girl
Just give it to me girl
I wanna rock yo world
My love'll give it to you girl
Deliver it to you girl
I wanna rock with you girl
My love I'll give it to you girl
Just give it to me girl
I wanna rock yo world

I heard about it happenin'
I never thought it could be
The way he looked into my eyes
What he doin' to me
He caught me by surprise
He opened up my life
He wasn't like them other dudes
I wanna be his wife
He said he got played
I told him don't be scared
My mission make you mine
Forget the rest
They ain't prepared
He said he liked my style
I said I liked his lips
He took my hand
And put them to my hips

My love'll give it to you girl
Deliver it to you girl
I wanna rock with you girl
My love I'll give it to you girl

Just give it to me girl
I wanna rock yo world
My love'll give it to you girl
Deliver it to you girl
I wanna rock with you girl
My love I'll give it to you girl
Just give it to me girl
I wanna rock yo world

You ever let a dude
You can't get out yo mind
You go to sleep
He in your dreams
He with you all the time
This was the way it was
Thought it was meant to be
Till I picked up the phone one night
And it was Tiffany
She said he was her dude
I said is that a fact
She said I let him go and play
But he always come back
I said that can't be true
She said it always is
I hung up, heart stuck
No relationship

My love'll give it to you girl
Deliver it to you girl
I wanna rock with you girl
My love I'll give it to you girl
Just give it to me girl
I wanna rock yo world

My love'll give it to you girl
Deliver it to you girl
I wanna rock with you girl
My love I'll give it to you girl
Just give it to me girl
I wanna rock yo world

Hearts keep on beatin'
Better take a walk girl
Give it to you
Give it to me
Me give it to you
Me give it to you
Come on come on

My love'll give it to you girl
Deliver it to you girl

I wanna rock with you girl
My love I'll give it to you girl
Just give it to me girl
I wanna rock yo world
