Eve] (Drag-on)  
Ugh (Come on, uh)  
Uh-huh (Flame on, uh, come on, uh)  
Uh-uh-uh-uh (Flame on, uh, come on, uh)  
Yo, yo (uh, uh)

[Eve]  
Let's talk about who I am  
Blondy, find me in the hood with my peoples  
Love y'all, hate the rest of y'all that I can see through  
Above that, I can't feel nothin' unless it's lethal  
Testin' your moves, never that, make no position fetal,  
uh

[Drag-on]  
I wanna talk about Dog nigga, L-O-X, Eve, and me  
Now that's the hottest thing in the streets  
Are beats is Swizz  
Cheesed up with holes in the shit  
Like a log rolled thick  
And ain't nothin' sweet but Drag-Eve tracks  
Honey Roasted  
Burn until its been around the hour, fuck that

[Eve]  
Yo let's talk about  
Platinum plaques, hangin' on my wall  
See me decorated, she's the one  
Heard 'em say it, see me celebrate  
I pop shit when it's necessary, not for nothin'  
I use clips for them big beefs  
See me bustin', plow!

[Drag-on]  
I wanna talk about bitches I fucked  
I'm a dog so I can't stand no bitch that hounds  
I far from a clown  
If I'm not knocking them down, Drag's probably not  
around  
So I'm not one to claim by either one of you dames  
If y'all catch Drag with a mane, trust me

She got my last name  
Here's the hook, uh

[Drag-on]

Now Drag-on will show ya niggas how we lock this shit

[Eve]

Now Eve gonna show y'all niggas how we rock these  
hits

[Drag-on] (Eve)

Now we gonna show y'all niggas how we pop this Cris

Drag (Eve) dash (Eve) on (Eve)

[Drag-on]

[Eve]

Let's talk about little dick niggas

Always talkin' bout what you got

Rather be finger-popped

Dick probably the size of a bough stuffed with rocks

Fuck the cop nigga, go shoot pool, pussy plot

You make me cum, I might flood the block, wet on my  
socks

[Drag-on]

I wanna talk about guns niggas don't bust

Y'all need to see me if y'all wanna see shells pop out

Make you say watch out, when I got my glock out

Niggaz clock out, cause I run up in your watch house

Snatch up all your rocks out

Then throw your box out

Ya motherfuckers better watch out

[Eve]

Yo, let's talk about fake ass bitches

Lying to yourself, you ain't ready for the world mama

Beggin' every second hungry, life drama

Get your own stacks

Why you think these niggaz pussy hungry

Cause you actin' triflin'

Layin' up, takin' his money, uh

[Drag-on]

I wanna talk about live or die

Fuck you and I

Niggas will fry like stripped bacon

I leave them shakin'  
Keep 'em sizzlin'  
Fuckin' with them you might win  
But they only got six shots with a barrel that spin  
And us our clip is spinning  
And hittin' all their men

[Eve]  
I wanna talk about ryde or die  
My dogs control confrontation  
In any situation  
Five niggas on your team  
Five niggas you replacing  
Five niggas used to gleam  
Five niggas left with nathan  
But their game that we took  
And now they back to chase it

[Drag-on]  
I wanna talk about biting ass niggas  
Let me see y'all niggas catch the flow  
Go red-vest with the four-four blow  
Ya niggaz gonna hit the ground for sure  
Nigga let me know if you want more  
If he catch you with a pound to choke, you know  
Nigga never die slow, till his eyes close  
Then jump on the highway, I go  
Man fuck the po-po, them niggas is moving slow mo,  
come on  
Here's the hook, uh

[Drag-on]
