Faith]

Hmm, yeah, yeah, hmm

[Eve]

Hey, yo I don't even know you and I hate you

See all I know is that my girlfriend used to date you

How would you feel if she held you down and raped you?

Tried and tried, but she never could escape you

She was in love and I'd ask her how? I mean why?

What kind of love from a nigga would black your eye?

What kind of love from a nigga every night make you cry?

What kind of love from a nigga make you wish he would die?

I mean shit he bought you things and gave you diamond rings

But them things wasn't worth none of the pain that he brings

And you stayed, what made you fall for him?

That nigga had the power to make you crawl for him

I thought you was a doctor be on call for him

Smacked you down cause he said you was too tall for him, huh?

That wasn't love, babygirl you was dreamin'

I could have killed you when you said your seed was
growin' from his semen

1 - [Faith]

Love is blind, and love is blind

It will take over your mind

What you think is love may truly not be

You need to elevate and find

[Eve](Faith)

I don't even know you and I'd kill you myself

You played with her like a doll and put her back on the
shelf

Wouldn't let her go to school and better herself

She had a baby by your ass and you ain't giving no help

Uh-huh big time hustler, snake motherfucker

One's born everyday and everyday she was your
sucker

How could you beat the mother of your kids?

How could you tell her that you lover her?

Don't give a fuck if she lives

She told me she would leave you, I admit it she did

But came back, made up a lie about you missing your
kids

Sweet kisses, baby ain't even know she was your
mistress

Had to deal with fist fights and phone calls from your
bitches

Floss like you possess her, tellin' me to mind my
business

Said that it was her life and stay the fuck out of it

I tried and said just for him I'll keep a ready clip

(No, no, no, no)

Repeat 1

[Eve](Faith)

I don't even know you and I want you dead

Don't know the facts but I saw the blood pour from her
head

See I laid down beside her in the hospital bed

And about two hours later, doctors said she was dead

Had the nerve to show up at her mother's house the
next day

To come and pay your respects and help the family
pray

Even knelt down on one knee and let a tear drop (oh)

And before you had a chance to get up

You heard my gun cock

Prayin' to me now, I ain't God but I'll pretend

I ain't start your life but nigga I'mma bring it to an end

And I did, clear shots and no regrets, never

Cops comin' in, watch me going to jail

Nigga whatever my bitch, fuck it my sister

You could never figure out even if I let you live

What our love was all about

I considered her my blood and it don't come no thicker
(whoa)

Repeat 1 till end
