Mama in the kitchen, mama in the kitchen
My mama in the kitchen, whippin, we flippin
Mama in the kitchen, mama in the kitchen

(Verse)

Ayo, I know you like it, like it, Iâ€™m winnin
Call me the lioness, Iâ€™m killin killin competition
Iâ€™m the one that youâ€™ve been waitin on, so thrilling
You should get a taste of this, so filling
Iâ€™m in the kitchen with the gumbo
Got bars, chyeah, dumb flow
I just stepped just a force 1
I got a life huh, you shouldâ€™ve bought one

(Hook x2)

Them niggas start starin, itâ€™s beyond this galaxy
You wanna go to my realityâ€™... show
Iâ€™m fresh up out the kitchen
Now pay attention what the world been missin
You they say Iâ€™m the antidote, better yet the cure
Feel the potency cuz the product is pure
Runnin runnin through your veins, guaranteed you get

Ayo, I know you like it, like it, Iâ€™m it

You might be in the building but Iâ€™ve built this shit
You just a visitor, I picked it out brick by brick
Call me the architect of yo future, not a sitcom
You said you ainâ€™t seen me often
Well, most of my currency is foreign
And I stay up stay up on a plane
Really donâ€™t matter, you could never ever touch my
lane â€™cause

(Hook x2)

My mama in the kitchen, whippin, we flippin
Mama in the kitchen, mama in the kitchen
My mama in the kitchen, whippin, we flippin
