Uh, what? What? Huh

My enemies, my enemies  
All of y'all is my enemies  
My enemies, my enemies  
Fuck y'all niggas, my enemies

My enemies, my enemies  
Playa-hataz, my enemies  
My enemies, my enemies  
Fuck y'all niggas, my enemies

Yo, yo, yo, crack ass can't bother me  
Watch me get money with the double R team  
Niggaz be schemin' about robbin' me  
Chicks mad they ain't got this job like me

Money makin' bitch called E V E  
Million dollar itch, nigga can't stop me  
Used to be broke and you used to love me  
On tour, now you don't fuck with me

My enemies, my enemies  
All of y'all is my enemies  
My enemies, my enemies  
Fuck y'all niggas, my enemies

My enemies, my enemies  
Playa-hataz, my enemies  
My enemies, my enemies  
Fuck y'all niggas, my enemies

Uh, uh, huh, huh, yo, yo, yo, up late night, wanting to  
sleep  
Thoughts of cats on their late night creeps  
'Cause of my relations with some one on peep  
You should've kept it real and you would've been with  
me

You're still on the corner with Smoke and them  
Still makin' plans about smokin' them  
Stupid, running around and be poking them

Could've been on stage and not smoking dope with  
them

My enemies, my enemies  
All of y'all is my enemies  
My enemies, my enemies  
Fuck y'all niggas, my enemies

My enemies, my enemies  
Playa-hataz, my enemies  
My enemies, my enemies  
Fuck y'all niggas, my enemies

You wanna fuck, you wanna fuck, you wanna fuck  
But you can fuck Eve  
You wanna fuck, you wanna fuck, you wanna fuck  
But you can fuck Eve
