The moment I wake up  
before I put on my make-up  
I say a little prayer for you  
while coming my hear now  
and wondering what dress to wear now  
I say a little prayer for you

chorus:

Forever and ever you'll stay in my heart  
and I will love you forever and ever  
we're never apart, oh how I love you  
together forever, that's how it must be  
to live without you would only mean heartbreak for me

I run for the bus dear,  
while riding I think of you dear  
I say a little prayer for you  
at work I just take time  
and all through my coffee-breaktime  
I say a little prayer for you

(chorus)

I'll say a little prayer for you (2x)

My darling believe me, for me there is noone but you  
please love me too  
(answer his prayer)

and I'm in love with you  
(answer his prayer now baby)

And answer my prayer, babe  
(answer his prayer)

(chorus)
