I want you to tell me why you walked out on me  
I'm so lonesome every da-ay  
I want you to know that since you walked out on me  
Nothin' seems to be the same old way

Think about the love that burns within my heart for you  
The good times we had before you went away, oh me  
Walk right back to me this minute  
Bring your love to me, don't send it  
I'm so lonesome every day.

REPEAT entire two stanzas

I'm so lonesome every day.  
FADE I'm so lonesome every day
