(Intro)

I got no answer, I got no love
So my heart pumps icicles
No answer, I got no love
So my heart beats zero below
No answer, I got no love
So my heart pumps icicles
No answer, I got no love
So my heart beats zero below

(Verse)

Ayo, tell me why should I ever give a fuck
My time is money man and you ain't even worth a
buck
Don't excuse the tone, this is how it is
Formin a cold blooded, and I don't give a shit
Got an announcement, the golden child comin
Straight killin em, boss bitch stuntin
These hoes crippled, not even in the runnin
Put out the feta so you know I ain't frontin
They had a little time, tried to be E V E
Snatchin the plate back, it's my turn to eat
And I'm a greedy bitch, man I don't like to share
Whole world mine, yea yea it ain't fair
They said I turned cold once I made my millions
I know you're mad, my success really hurt your
feelings
No sugar coatin anything around here
Lioness, run team, who should rock here?

(Hook)

I got no answer, I got no love
So my heart pumps icicles
No answer, I got no love
So my heart beats zero below
'Cause I'm a cold motherfucker, I'm a cold...
She a cold motherfucker, I'm a cold m...
'Cause I'm a cold motherfucker, I'm a cold...
I'm a cold motherfucker, I'm a cold...
I got no answer, I got no love
So my heart pumps icicles

No answer, I got no love
So my heart beats zero below

(Verse)

Isabelle Marant, bottles blood stained
From all these wannabees that thought they was better
than me
Got em thirsty for it, give this bitch a drink
Iceberg dead ahead, I make Titanic sink
IÂ'm just what they not, they must really all you got
You could never take my spot
Trust me, you donÂ't wanna pop
Yea, I shoot, when shockin all reason that yo mouth
drop
Fuck you Â'cause youÂ're at the bottom, love me
Â'cause IÂ'm on top
IÂ'm a fashionista, cannibal Â- I eat ya
History I teach ya anywhere I meat ya
Still tryna get a gig, baby IÂ'm the feature
If you wanna wear my crown dig a little deeper
Hah, you ainÂ't even in my league
Murder murder, IÂ'mma kill em on this beat
Got em shook now, getting dirty lips now
Still you shine, guess IÂ'mma cook now

(Hook)

I got no answer, I got no love
So my heart pumps icicles
No answer, I got no love
So my heart beats zero below
Â'Cause IÂ'm a cold motherfucker, IÂ'm a coldÂ...
She a cold motherfucker, IÂ'm a cold mÂ...
Â'Cause IÂ'm a cold motherfucker, IÂ'm a coldÂ...
IÂ'm a cold motherfucker, IÂ'm a coldÂ...
I got no answer, I got no love
So my heart pumps icicles
No answer, I got no love
So my heart beats zero below

No answer, I got no love
So my heart pumps icicles
No answer, I got no love
So my heart beats zero below
