Abs. Nodesha. Sure come on, up.

Abs:

Oh my,

You was looking so down,

When I first met you,

I bet you,

Didn't think it would get to a situation where I let you,

Just go,

So lady it let me know,

Why your're acting cold,

Thinking about words that you told me,

When you phoned me,

She was saying...

Nodesha:

No, no, no!

I'm moving into something new,

Saying woah, boy slow,

I've got a hundred other things to do before I go just
tell me...

Abs:

Little Miss. Perfect was she worth it?

A Dangerous game she had to play,

She coulda deserted, but she flirted,

Now little Miss. Perfect's gone away...

Both:

Little Miss. Perfect was she worth it?

A Dangeous game she had to play,

She coulda deserted, but she flirted,

Now little Miss. Perfects gone away...

Abs:

Ay, Oh No,

Gonna do it again,

Gonna find myself, right back up where it started lady,

Baby girl it aint hard to tell,

That you wanna get your flirt on,

Coz you got your boots and your skirt on,

When your looking like that,
I think I want you back...

Nodesha:
No, no, no!
Don't even try to step to me,
Saying woah, boy slow,
Can't stop this curiosity,
Before I go just tell me...

Both:
Little Miss. Perfect was she worth it?
A Dangeous game she had to play,
She coulda deserted, but she flirted,
Now little Miss. Perfects gone away...

Nodesha:
Saying what you forgot,
Baby stop,
You were out at 10 o'clock,
On the rocks,
Getting hot (hot, hot),
Is that where your at,
Got the Mac,
She's just falling for your chat,
Dirty rat,
Now your back (back, back),
No, no, no!
I'm moving into something new,
Saying woah, boy slow,
I've got a hundred other things to do before I go just
tell me...
