Yoh Big Sean, i know this is your joint, but uh-  
I just love your track so much i figured let me jump on  
your train  
You know wah i mean?

Woble-dy woble-dy wa-wable wable  
Put ma d\*ck in her spitter and then i'll have that b-tch  
gaggle  
girl ride it with no saddle  
I Twist her like a handle, i burn her out like a candle  
I Wear her out like a sandal, turn that p-ssy to ally cat  
Kill it and i burry that, now its like a scary cat  
We tied up like we Married, ima bust her cherry  
26 just like John Terry  
And when im that p-ssy make her Scream like its scary  
tell me if u into it, let me please that clitoris  
I been out for a while now baby let me get back into it  
No time to get intimate, m sorry for being an ass  
Buh all i wanna ask is can i get in that ass?  
I'll go lazy on that ass  
I go crazy on that ass  
O.J simpson on that  
Go Obama on that ass

Lady gaga on that ass  
And stop for a while....and get ryt back in that ass like

Here i cum b-tch How u like dat?  
Here i cum B-tch P-ssy popping

Woble-dy woble-dy ma Wabling is wrecking  
I been in it for about a minute and 30 seconds  
And i know after am finished, u'll replay it just to check  
it  
Now she went through ma head to ma Neck like  
NeckLace  
Since u the sh-t now let me be ur asshole  
Swiming in her juices like a shark eating tadpoles  
She treat me like a nation, swinging on ma flag pole

And i call her baby baby, i play a Dad role  
Ni Niikki M girl how Wide is your....?  
Got a hulk bwtm ma legs can it fit inside of your....?  
So what if am a lil razz, u gave me head up in a taz  
Now all i wanna ask is can i murder ur ass

I'll go lazy on that ass  
I go crazy on that ass  
O.J simpson on that ass  
Go Obama on that ass

Lady gaga on that ass  
And stop for a while....and get ryt back in that ass like

Here i cum b-tch How u like dat?  
Here i cum B-tch P-ssy popping  
Here i cum b-tch How u like dat?  
Here i cum B-tch Ass popping
