Oh my, you was looking so down, when I first met you,
I bet you didn't think it would get to a situation where I
let you,
Just go, so that you let me know,
Why your acting cold,
Thinking about the words that you told me are you
ready for me,
She was saying

Bridge
No no no,
I'm moving into something new,
Oh girl what you wanna do?
Saying woah boy slow,
I got a hundred other things to do,
Before I go just tell me

Chorus
Lil miss perfect was she worth it,
A dangerous game she had to play,
She could have deserted but she flirted,
Now little Miss Perfect's gone away

Chorus
Lil miss perfect was she worth it,
A dangerous game she had to play,
She could have deserted but she flirted,
Now little Miss Perfect's gone away

Oh no,
Gonna do it again,
Gonna find myself,
Right back up where I started lady

Baby girl it ain't hard to tell,
That you wanna get your flirt on,
Get your boosie skirt on,
When you looking like that,
I think I want you back

Bridge
No no no,

Don't even try to step to me,
Oh girl what you wanna do? Saying woah boy slow slow,
Can't stop this curiosity,
Before I go just tell me

Chorus

Lil miss perfect was she worth it,
A dangerous game she had to play,
She could have deserted but she flirted,
Now little Miss Perfect's gone away

Chorus

Lil miss perfect was she worth it,
A dangerous game she had to play,
She could have deserted but she flirted,
Now little Miss Perfect's gone away

Saying what, you forgot, baby stop,
You were out at 10 o'clock on the rocks getting hot hot
hot,
Is that where you're at?
Got the knack,
She's just falling for your chat,
Dirty rap now you're back back back

Bridge

No no no,
I'm moving into something new,,
Oh girl what you wanna see?
Saying woah boy slow slow,
I got a hundred other things to do,
Before I go just tell me

Chorus

Lil miss perfect was she worth it,
A dangerous game she had to play,
She could have deserted but she flirted,
Now little Miss Perfect's gone away

Chorus

Lil miss perfect was she worth it,
A dangerous game she had to play,
She could have deserted but she flirted,
Now little Miss Perfect's gone away

Chorus

Lil miss perfect was she worth it,
A dangerous game she had to play,
She could have deserted but she flirted,
Now little Miss Perfect's gone away
