Abs:

Oh my,
you was looking so down,
when i first met you,
i bet you,
didn't think it would get to a situation where i bet you,
just go,
so let it let me know,
why you're acting cold,
thinking about words that you told me,
when you phoned me,
she was saying . . .

Nodesha:

No, no, no,
I'm moving into something new,
Saying woah, boy, slow,
i've got a 100 other things to do,
before i go just tell me:

Abs:

Little Miss Perfect, Was She Worth It?
A Dangerous Game She Had To Play,
She Coulda Deserted but she flirted,
Now Little Miss Perfect's Gone Away . . .

Both:

Little Miss Perfect, Was She Worth It?
A Dangerous Game She Had To Play,
She Coulda Deserted but she flirted,
Now Little Miss Perfect's Gone Away . . .

Abs:

Ay, oh no,
Gonna Do It Again,
I'm gonna find myself,
ending back up where i started,
Baby girl it aint hard to tell,
that you wanna get your flirt on,
coz you've got your boots and your skirt on,
when you're looking like that,
i think i want you back . . .

Nodesha:
No, No, No,
don't even try to step to me,
Saying Woah, Boy, Slow,
Can't stop this curiosity,
Before i go just tell me:

Both:
Little Miss Perfect, Was She Worth It?
A Dangerous Game She Had To Play,
She Coulda Deserted but she flirted,
Now Little Miss Perfect's Gone Away . . .
Little Miss Perfect, Was She Worth It?
A Dangerous Game She Had To Play,
She Coulda Deserted but she flirted,
Now Little Miss Perfect's Gone Away . . .

Nodesha:
Saying What? you forgot?
Baby Stop,
You Were Out And 10'o Clock
On The Rocks,
Getting Hot (hot, hot, hot)
Is That Where You're At?
Got The Mac,
She's Just Falling For Your Chat,
Dirty Rat,
Now Your Back (back, back, back)
No, No, No,
I'm moving into something new,
Saying Woah, Boy, Slow,
I've Got 100 other things to do,
Before i go just tell me:

Both:
Little Miss Perfect, Was She Worth It?
A Dangerous Game She Had To Play,
She Coulda Deserted but she flirted,
Now Little Miss Perfect's Gone Away . . . x 2
