Amphetamines and jelly beans
She was pretty in her teens
Waiting for the month of come what may
I smelled you on my shirt today

Of course the hardest part is letting go
Well you got to or you know you'll end up waiting by the

Phone me once in a while
Let me know you're alright
Tell you again that I'm fine
Then we go about our separate lives

Was it nasty skin or lazy dreams
I left you cold two blankets deep
This is the last song I'll send your way
I smelled you on my shirt today

Of course the hardest part is letting go
But you go to or you know you'll end up waiting by the

Phone me once in a while
Let me know you're alright
Tell you again that I'm fine
Then we go about our separate lives

Phone me tell me
That you're waiting by the
Phone for me to phone you
Once in a while
Once in a while
Once in a while
Then we go about our separate

Phone me once in a while
Let me know you're alright
Tell you again that I'm fine
Then we go about our separate

Phone me once in a while
Let me know you're alright
Tell you again that I'm fine

Then we go about our separate lives

Our separate lives

Then we go about our separate lives
