So denied so I lied
Are you the now or never kind?
In a day and a day love
I'm going to be gone for good again

Are you willing to be had? Are you cool with just
tonight?

Here's a toast to all those who hear me all to well.
Here's to the night we felt alive.
Here's to the tears you knew you'd cry.
Here's to goodbye tomorrow's going to come to soon.

Put your name on the line
Along with place and time
Want to stay, not to go, I want to ditch the logical.

Here's a toast to all those who hear me all to well.
Here's to the night we felt alive.
Here's to the tears you knew you'd cry.
Here's to goodbye tomorrow's going to come to soon.

All my time is froze in motion
Can't I stay an hour or two or more
Don't let me let you go

Don't let me let you go

Here's a toast to all those who hear me all to well.
Here's to the night we felt alive.
Here's to the tears you knew you'd cry.
Here's to goodbye, tomorrow's going to come to soon.

To soon

Here's to the night we felt alive
Here's to the tears you knew you'd cry
Here's to goodbye tomorrow's going to come to soon
