

Eve 6

"Nightmare"

Visit "[Nightmare](#)" on MotoLyrics.com

Blemishing mirror fright
Going to take a bit of a fall tonight
Dreamed that I was underneath a naked women saying
something that I can't repeat
Awaken by the runway noise
Suck it up kid assume battle poise

It's alone the time for you're truly unknown
I don't need to stay awake

In my nightmare I feel so alive
In my dreamscape escapades
I make the grade I save the day

Pull here push me there a little lower a little closer to
the spot that's bare
That's the toy that fills my void it's apparent I've
inherited a demon joy

It's alone the time for you're truly I know
I don't need to stay awake

In my nightmare I feel so alive
In my dreamscape escapades
I make the grade I save the day

Set-set-set-GO

In my nightmare I feel so alive in my
Dreamscape escapades I make the grade I save the
day

In my nightmare I feel so alive in my
Dreamscape escapades I make the grade I save the
day

In my nightmare I feel so alive in my
Dreamscape escapades I make the grade I save the
day

In my nightmare I feel so alive in my
Dreamscape

I make the grade I save the day
I make the grade I save the day
I make the grade
I save the day
