Tonight I feel ambitious and so does my foot, as it  
sinks on the pedal  
I press it to the floor  
I don't need a girl  
Don't need a friend  
Cuz my friend lonesome's unconditional  
We're flying forever bored

For a moment I love everything that I see, and think,  
and feel  
I love my broken sideview mirror  
Cuz it's so perfect  
I'm so perfect  
You're so perfect  
You're not here!  
I hear the change in gears

My pile shakes as i hit 80' on the open road  
This is an open road song

The night is beckoning  
Although I have nowhere to go but home, feels good to  
be alone  
With every turn comes a new frame of mind  
If I could frame my mind  
Where would it hang?

My pile shakes as I hit 80' on the open road  
My pile shakes as I hit 80' on the open road  
My pile shakes as I hit 80' on the open road  
This is an open road...song!

I crack a window  
And feel the cool air cleanse my every pore  
As i pour my poor heart out  
To a radio song that's patient and willing to listen  
My volume drowns it out  
Ya, but that's okay cuz I sound better then him anyway  
Anyday!  
Ya, my voice is sweet as salt  
I search for comfort and I find it where I found it many  
times before

Times before it could be forgotten, yeah !

My pile shakes as I hit 80' on the open road  
My pile shakes as I hit 80' on the open road  
My pile shakes as I hit 80' on the open road  
This is an open road...song!
