C-C-Come on

Lay off the coffee at the Kafka and the coughing and
Lay off the means to the ends and mean what you say
more often

Look, lay off the, layin' off the, smiling the trying
Lay on me, lay on me, lay on me

It's another day the way things go
It's gonna go around again I know it

I'm still here waiting for you
I'm still here waiting for you
I'm still here waiting for you
I'm still here waiting, yeah

Lay off the moaning and the groaning and the
stonings, lay off
Lay off the cons and all the condescending tonings
Lay off the, layin' off with the, smiling, can't you tell
Lay on me, lay on me, lay on me

It's another day the way things go
It's gonna go around again I know it

I'm still here waiting for you
I'm still here waiting for you
I'm still here waiting for you
I'm still here waiting for you

I'm still here waiting for you
I'm still here waiting for you
I'm still here waiting for you
I'm still here waiting for you
