When will this heartache end  
Why won't it die  
How will I love again  
Should I even try  
She felt so real to me  
Guess I was wrong again  
Oh someone tell me when will this heartache end

When will my heart be free  
To love again  
Was I just meant to be  
Like another friend  
I got this hurting here  
For me it just won't mend  
Won't someone tell me will this heartache end

Will it be gone with time  
Or will I lose my mind  
Just how long can it go on this way  
I've seen how long it takes  
Before a strong heart breaks  
And this heart of mine won't take it anymore

When will this heartache end  
And set me free  
To live and love again  
So I can see  
That one mistake I made  
I'll never make again  
I'll have to wait until this heartache ends

I've seen how long it takes  
Before a strong heart breaks  
And this heart of mine won't take it anymore

When will this heartache end  
And let me be  
To live and love again  
So I can see  
That one mistake I made  
I'll never make again  
I'll have to wait until this heartache ends

Oh me I'll have to wait until this heartache ends
