Iâ€™ve got a plan. I know the game.  
I cross the line and things will never be the same.  
Itâ€™s gotta be right, itâ€™s gotta be clean.  
I gotta cover all the spaces in between.  
Because I want to be someone (someone you want to  
be like),  
one of a kind (just do it if it feels right),  
Fucking contagious (living in the limelight),  
out of my mind!..  
[CHORUS]  
Cuz I am the all original, so hated that itâ€™s criminal,  
My fame is on the throttle, straitjacket supermodel.  
Sideways on the level, tap dancing with the devil,  
Iâ€™m bringing down the gospel, straitjacket  
supermodel.  
[END CHORUS]  
So can you be trusted?, can you be told?,  
Can you just shut your mouth and never tell a soul?,  
Because if you want to be someone, (someone you  
want to be like),  
one of a kind (just do it if it feels right),  
Fucking contagious (living in the limelight),  
Out of my mind!..  
[REPEAT CHORUS]  
(just do it if it feels right)  
(living in the limelight)  
(do it if it feels right)  
Straightjacket supermodel.  
(someone you want to be like, just do it if it feels right)  
(living in the limelight).  
Iâ€™m out of my mind.  
[REPEAT CHORUS]  
Straitjacket supermodel (4x).  
END
