Behold, the eighth wonder  
Of the natural world!  
Come one and come all  
See the two-headed girl  
Stupendous! Revolting!  
You'll be shocked, you'll be awed  
A true freak of nature  
A blunder of God

But possessing such talents  
Hear them sing, see them dance  
As seen in the highest class  
Parlours of France  
Just ten bucks a photograph  
Get your seats while they last  
We take Visa and Master Card  
Debit or cash!

Isn't it nice that they're being so nice to us?  
If I'm not mistaken I think they might like us  
Aren't we lucky to be here?  
Stop moving, they're taking a picture  
Smile for the camera, Evelyn

Come in, come in  
Must be cold out there, gentlemen  
Take off your coats  
And just guess what the wind blew in  
I know you like twins  
Have I got a surprise!  
They're identical sisters  
Attached at the sides!

Just imagine the fun  
You could have with these chicklets  
And they're so well behaved  
Not a single complaint yet

Just look at these photos  
While I pour your a cocktail  
I don't know whether I should charge  
Double or triple!

Isn't it nice that they're being so nice to us?  
If I'm not mistaken I think they might like us  
Aren't we lucky to be here?  
Stop moving, they're taking a picture  
Smile for the camera, Evelyn

Ladies and gentlemen  
Critics and hipsters  
Have you heard the new disc  
By the Evelyn sisters?  
Seamlessly floating with grace  
Between eras and genres  
They sing timeless new songs  
Rife with double-entendres

As featured in Rolling Stone  
Spin, the New Yorker  
And Pitchfork (Pitchfork)  
There's an in-store appearance  
Today at the corner of  
Bedford and Seventh Ave.  
Come get a photograph  
Sticker, and autographed shirt!

Isn't it nice that they're being so nice to us?  
If I'm not mistaken I think they might like us  
Aren't we lucky to be here?  
Stop moving, they're taking a picture  
Smile for the camera, Evelyn!
