Elephant,
Elephant,
Big, and strong, and gentle, and intellegent,
Intellegent
How can I feel blue?
I've got my sister at my side,
and an elephant to ride

Oh, Elephant,
Elephant,
You're sad, and in a cage but thats irrelevant,
Irrelevant,
'Caus everyone is jelous when they see me riding by,
On a friend of such great size!

Other kids ride bikes,
Thats true,
Or daddy's pick them up from school,
But that won't do for me you understand.
Understand!

Other kids have horses,
Other kids have dogs!
Other kids have hampsters,
Other kids have frogs!
But the pet for me is something much more grand.....

Other kids ride bikes,
That's true,
Or daddy's pick them up from school,
But that won't do for me you understand.
Understand!

Other kids have horses,
Other kids have dogs!
Other kids have hampsters,
Other kids have frogs!
But the pet for me is something much more grand.....

And benevolent.....
And..... elegend.....

And I've got an Elephant,
Elephant,
Riding on your back I'm in my element,
Element,
It's true and it's a fact that there is so much you can
learn,
When you're on a packaderm!

Oh Elephant,
Elephant,
Life's not so bad it's swelevant,
To give me such a friend!

Oh elephant,
Elephant!
I'm with you to the end.....

Elephant, elephant I'm with you to the end!

Goodnight elephant.....
