You know I have a fragile heart  
But you went and tore it apart  
And now only I know  
How I managed to let it go  
What you did to me  
You let go of honesty  
You lied to me

[Chorus:]  
We both know your responsible  
For making me emotional  
Why did you mess with me love  
You couldn't hurt me enough  
Made my heart run on a shelf  
Why don't you go hurt someone else  
I'm too emotional for this

And now I sit home alone  
Wondering if your alone  
Or if your with someone else  
You can't imagine the way I felt  
When I saw you with that girl  
I tried to keep my emotions inside  
But late at night I started to cry  
[Chorus:]  
We both know your responsible  
For making me emotional  
Why did you mess with me love  
You couldn't hurt me enough  
Made my heart run on a shelf  
Why don't you go hurt someone else  
I'm too emotional for this

We both know I'm emotional  
We know I'm fragile  
But you tore me in two  
And it's all because of you  
That I'm emotional

[Chorus:]  
We both know your responsible  
For making me emotional

Why did you mess with me love  
You couldn't hurt me enough  
Made my heart run on a shelf  
Why don't you go hurt someone else  
I'm too emotional for this
