I haven't been around for a while  
And sometimes you forget to smile  
Your face carries a frown  
It shows your really feeling down  
Sometimes you even forget to cry  
As the days fly on by

[Chorus:]

You know that I'm not here  
But hold back your tears  
Cause I'll see you in a thousand years  
Now your all alone  
Sitting by yourself at home  
But no tears, cause I'll see you in a thousand years

I had to take a vacation  
Just to save my situation  
I decided not to tell  
But my life isn't going well  
I'll be with you in a thousand years time  
Don't forget you'll always be mine

[Chorus:]

You know that I'm not here  
  
But hold back your tears  
Cause I'll see you in a thousand years  
Now your all alone  
Sitting by yourself at home  
But no tears, cause I'll see you in a thousand years

I know it's a long time to wait  
But I'll never be too late  
I'll always be your friend  
And you will see me again  
I'm not ready to say  
And I wont be today  
But maybe in a thousand years

[Chorus:]

You know that I'm not here  
But hold back your tears

Cause I'll see you in a thousand years  
Now your all alone  
Sitting by yourself at home  
But no tears, cause I'll see you in a thousand years
