Rolling down my cheek
Can't even speak
Loosing my mind
Everythings not alright
Trying haard to sleep at night
Can't even get by
I guess this is goodbye

Chorus:
But before you go
Take my tears as a keepsake
Of all the heartbreak
You caused and did'nt know
I hope you look back and see
The tears you took
You'll remember me

Crying at my door
Trying to make it better
Just like before
When we hung out together
But I'm never doing that again
You never were my friend

At least never again

Chorus:
But before you go
Take my tears as a keepsake
Of all the heartbreak
You caused and did'nt know
I hope you look back and see
The tears you took
You'll remember me

Don't come over
I don't wanna see you
Think adout me
And maybe you'll cry too

Chorus x2:
But before you go

Take my tears as a keepsake
Of all the heartbreak
You caused and didn't know
I hope you look back and see
The tears you took
You'll remember me
