I've lost my way
No ones here to say
Your lost, here's the right direction
Pointing it out to me
So I can see
That I'm losing your attention

Chorus:

I'm breaking down
I'm unbalanced
I'm losing my ground
I just can't take it
I've faced my fear
I've sheded a tear
I'm not gonna make it
'Cause I can't take it

I've lost my mind
And I'm trying to find it
It's taking sometime
To recover this
I'm loosing control on this situation
And I need to regain it

Chorus:

I'm breaking down

I'm unbalanced
I'm losing my ground
I just can't take it
I've faced my fear
I've sheded a tear
I'm not gonna make it
'Cause I can't take it

I've lost my sight
I'm going blind
Let me know
If you still care
Or should I go
And leave you there
And never look back

How about that?

Chorus:

I'm breaking down
I'm unbalanced
I'm losing my ground
I just can't take it
I've faced my fear
I've shedded a tear
I'm not gonna make it
'Cause I can't take it
