Oh
I don't know what I do
babe

I reach out to you and I hope that you'll help me to be a
success.
I can't handle it if you're not there
I couldn't settle for less.
'Cause I need somebody special to help me enjoy all
the fame

Someone to help me face the crowds
who loves me for more than my namt
Masquerade - it would be a masquerade
I would be so afraid

If you weren't there to help me share.
You've been around to all the bad times when I couldn't
pay the rent.
Now things are different

I want you here while the money's around to be spent.
'Cause you deserre to share with me all magic life has
to give.
I want you here right by my side
we only have one life to live.
Masquerade - it would be a masquerade
I would be so afraid

. . .

What good is success if you're out of there on your own
?

What good is money if you're spending it alone ?
What good is fame when there're strangers in the
crowd ?

What good is talent if you're crying out loud?
Will we babe

babe
babe
babe
babe
babe

babe
babe
babe
babe
babc

This would be a masquerade.
When I'm giving interviews and they ask me how I
became a star

I tell them all about your help
without you I couldn't go far.
'Cause you are my guiding light to deal with the
problems around

My life is resting in your hands and I can feel safe and
sound.
Masquerade - it would be a masquerade
I would be so afraid
