Do you rememeber when we were kids
Soaking in the sun with you
Father was working on the driveway
That old 54's good to go
Seem to rememeber the memories we had
Seem to fall down the road of memories

(I'LL CATCH YOU) when you fall
I'll catch you when you fall
When I shouldn't even care at all
I'll catch you when you fall
(I'LL CATCH YOU) when you fall
I'll catch you when you fall
When I shouldn't even care at all

Anyone I've ever loved I've chased away
Anyone I've let inside becomes to afraid
Chasing my past it won't last forever
It's a reaction
(I'LL TRY TO FACE)
My consequence it's time to rememeber
(IT'S TIME TO PAY)

(I'LL CATCH YOU) when you fall
I'll catch you when you fall
When I shouldn't even care at all
I'll catch you when you fall
(I'LL CATCH YOU) when you fall
I'll catch you when you fall
When I shouldn't even care at all

I'LL GET YOU
I'LL BRING YOU HOME
I'LL MAKE YOU... DEAD

FORGET YOU [X4]

It's all intentions now
Rememeber what you said to me
It's all intentions now
You were just to afraid

It's all intentions now
I'll catch you when you fall

(SAVE ME)

Catch you when you fall
Catch you when you fall
Catch you when you're fallen
