I fell on my knees, without mercy  
I could feel the noose strangle me  
My eyes couldn't see, I couldn't speak  
When the season of withering came on to me

Close to the ledge of life, I will bleed for your sins  
I wish my life unborn, so in sorrow I didn't drown  
Take my hand, (and walk with me let me lead you), let  
me lead you into  
Oblivion

Be smothered in pain, and all in vain  
Do you really think you are sane?  
Be the one to yearn, you won't learn  
As the season of withering comes on to you

Close to the ledge of life, I will bleed for your sins  
I wish my life unborn, so in sorrow I didn't drown  
Take my hand, (and walk with me let me lead you), let  
me lead you into  
Oblivion

Autumn fire burns in the woods  
Season of wither has come again  
The darkness shrouds my day  
Season of withering has come again

Autumn fire burns in the woods  
Season of wither has come again  
The darkness shrouds my day  
Season of withering has come again

Autumn fire burns in the woods  
Season of wither has come again  
The darkness shrouds my day  
Season of withering has come again

Autumn fire burns in the woods  
Season of wither has come again  
The darkness shrouds my day  
Season of withering has come again
