4:18 and my mind's gone green  
But I just don't know where my head has been  
4:18 and my mind's gone green  
But I just don't know where I've been  
So have you got what it takes to float  
On a sea of peas in a gravy boat  
I got my ticket for that ride  
But I'm not coming home tonight  
And what you see  
And what you hear  
It's in your eye  
And in your ear  
And what you learn  
And what you don't  
Won't you step inside  
My empty mind  
4:18 and my mind's gone green  
But I just don't know all the things I've seen  
4:18 and my mind's gone green  
But I just don't know where I've been  
Step into my empty mind
