The time is always right in your world  
No one's uptight in your world  
Won't ya tell me how  
Won't ya take me now

Sun is always out in your sky  
You've got no reason to lie  
Won't ya tell me how  
Won't ya take me now

Chorus:  
Maybe I'm lost to the world I am in  
Won't ya tell me where do I begin

The moon is always out in your eyes  
You cut no one down to size  
Won't ya tell me how  
Won't ya take me now

Chorus:  
Maybe I'm lost to the world I am in  
Won't ya tell me where do I begin

Break

Chorus:  
Maybe I'm lost to the world I am in  
Won't ya tell me where do I begin  
Maybe I'm blind to the ones I let in  
Won't ya tell me where do I begin
