Moving, give me motion
Grooving, on a notion
Ooh, ooh
(Moving)

Feeling, getting higher
Feeling with desire
(Just keep me moving)
Ooh, ooh
(Moving)

Freedom, freedom
Freedom, free

Feeling, keep it coming
Rhythm, keep it pumping
(Just keep me moving)
Ooh, ooh
(Moving)

Moving, give me motion
Ooh, ooh
(Moving)

Freedom, freedom
Freedom, free

Just keep me moving
Just keep me moving
Just keep me moving
Just keep me moving

Just keep me moving
Just keep me moving
Just keep me moving
Just keep me moving

Just keep me moving
Just keep me moving
Just keep me moving
