I Got The Music In Me

Ain't got no trouble in my life No foolish dream to make me cry I'm never frightened or worried I know I'll always get by

I heat up, I cool down When somethin' gets in my way I go 'round it Don't let life get me down Gonna take it the way that I found it

I've got the music in me I've got the music in me I've got the music in me Yea I've got the music in me I've got the music in me I've got the music in me

Feel funky, feel good
Gonna tell ya I'm in the neighborhood
Gonna fly like a bird on a wing
Hold onto your hat honey
Sing, sing
I've got the music in me
I've got the music in me
I've got the music, pretty music
I've got the music in me
