Stop, Don't go, Theres something you got to know
Cant you see the hold you have on me?
That look, your smile, oh it drives me wild.
And I dont know how to escape it.
When you walk into the room
My hearts beating wild and crazy
I cant speak when I look at you
My tongue gets tied and my mind is hazy

Stop
Dont stare
Didnt you know I cared
The secrets out
Heres what its all about
That look
Your smile
Oh it drives my wild
And I dont know
How to escape it
