Your all covered with hot marshmallows.
Your sticky and sweet you're my number one
thanksgiving treat. Oh yea. Whoo.
My oh my, I love sweet potato pie!

You can keep your valentine chocolates and your
eggnog. Christmas nights yeah
I want a sweet, sweet, sweet potato pie. Its this boy
favorite holiday glass.
Were going one more time... I said my oh my. I love
sweet potato pie!

Now I've tried all the others but I don't give a dang
about pumpkin, apple, or that lemon marange.
Its dessert I dream about it's a holiday must
It's the food of the angels its even in a crust.
Yeah my oh my.. yeah I love sweet potato pie!
